

MEETING DATE - 6TH NOVEMBER 2024

FRIENDS OF EWS

Communicating to make positive change!

FEWS
6TH
NOVEMBER

At our FEWS meeting you have a chance as parents/carers to hear about the school development, the progress we are making in different aspects of school life and the decisions behind policies and procedures. The meetings give parents and carers a chance to ask school leaders questions, engage in consultation and give feedback.

POSITIVE FEEDBACK

Prospective and current Parent/Carers were impressed with our open evening. It was well organised and showed the school in a fantastic light.

Careers & Pathways communication has improved over the past 6 months.

The presentation of the school is so much better. Signs and new doors are a welcome upgrade.

YOU SAID

Sometimes parents/carers struggle to know whether its week A or B.

Late meeting communication and lack of parent feedback on what the FEWS do in these meetings.

Computer System induction for new Y7 parents. Could take place on evening of transition day.

Maybe there could be a increase in school trip like theatre visits. We hope the school could do more trips.

WE DID

New banner added to website - 26/11/2024.

We have sent ParentMail setting out all dates for meetings in the academic year. We have started a new FEWS update poster.

This has been discussed in with SLT and a plan to introduce some training will be looked at and shared closer to the time.

We have passed the trip feedback onto teachers and we have an exciting MK Theatre trip coming up in January for Y11. We will communicate with parents more when these trips are taking place.
